Message

Dear students

I welcome you to Govt. Degree College Thachi, surrounded by the beautiful hills and lush green forests, the picturesque landscape and beautiful locale of this college provides a congenial environment to pursue studies. Our highly qualified and experienced teachers are conscientiously engaged in equipping the students with knowledge and skills. Since its establishment in September 2017, the students' strength in this college is continuously increasing and during the last academic session 2021-2022, the college had 74 on its rolls. The college at present offers UG courses in the faculties of Arts and Commerce. The Choice Based credit System (CBCS) under RUSA (Rashtriya Uchchatar Shiksha Abhiyan) has been introduced in the UG classes from academic session 2013-2014 to enhance the quality of education. This new system of education provides a wider opportunity to the students to select the subjects of their choice following an inter-disciplinary approach of learning. The college has LED and Interactive Board with internet connectivity. These are being used by different faculties to deliver their lecture through power point presentation.

For the overall personality development of students our college provides a range of activities like sports, Rovers & Rangers. There are number of subject societies and clubs like eco, red ribbon and anti-drug club where students get enough opportunities to develop the different instincts of their personality. New initiatives and efforts are being made to further strengthen the infra-structure of the college. Construction of college building is being started now and we are hopeful to complete the same in determined time span.

Parents Teachers Association is successfully functioning in the college to undertake various development activities for welfare of the students. To shape the destiny of the students and to ensure their bright future parents like teachers have a very important role to play. I appeal to the parents to come forward and participate in the development activities of the college.

Our aim is to provide quality education to our students and to update their knowledge and skills to enable them to catch up with the competitive world with firm determination, confidence, perseverance and hard work to achieve your desired goal.

I wish you all the very best.

*The Principal reserves the right to disallow or cancel any admission if the conduct of the student has not been up to the mark.

CHOICE BASED CREDIT SYSTEM (CBCS) Regulation

In year 2013 Choice Based Credit System was introduced for undergraduate courses in Arts, Science and commerce. Further in the year 2016 the new Choice Based Credit System was introduced in accordance with UGC Guidelines. Further in the year 2018 the annual system of Choice Based Credit System was introduced.

The CBCS provides an opportunity for the students to choose courses from the prescribed courses comprising core, elective and skill based courses. The courses can be evaluated following the grading system, which is considered to be better than the conventional marks system. Therefore, it is necessary to introduce uniform grading system in the entire higher education in India. This will benefit the students to move across institutions within India to begin with and across countries. The uniform grading system will also enable potential employers in assessing the performance of the candidates. In order to bring uniformity in evaluation system and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examinations, the UGC has formulated the guidelines to be followed.

Outline of Choice Based Credit System

1. Discipline Specific Core (DSC) Course: A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

2. Elective Course: Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

- **Discipline Specific Elective (DSE) Course (2 each for regular courses):** Elective courses may be offered by the main discipline/subject of study is referred to as Discipline Specific Elective. The University/Institute may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline/subject of study).
- **Dissertation/Project Work:** An elective course of 4 credits, designed to acquire special/advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called dissertation/project work. A Project/Dissertation work may be given in lieu of a discipline specific elective paper.
- **Generic Elective Course (GEC):** An elective course chosen generally from an unrelated discipline/subject, with an intention to seek exposure to other subjects/disciplines is called a Generic Elective Course.

NOTE:-A Course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice-versa and such electives may also be referred to Generic Elective Course.

3. Ability Enhancement Courses (AEC)/Competency Improvement Courses/Skill Development Courses/Foundation Course: The Ability Enhancement (AE) Courses may be of two kinds: AE Compulsory Course (AECC) and AE Elective Course (AEEC). "AECC" courses are the courses based upon the content that leads to Knowledge enhancement. They [(i) Environmental Science, (ii) English/Hindi/MIL Communication] are mandatory for all disciplines. AEEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

- **Ability Enhancement Compulsory Course (AECC):** Environmental Science, English Communication/Hindi Communication /MIL Communication.
- **Skill Enhancement Courses (SEC) (Minimum 4):** These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and are aimed at providing hands-on-training, competencies, skill etc. to increase the employability of student.

Duration (Time Frame): The UG programme is for a minimum period of three years from the date of admission of the candidate.

Content Hours: Each course has five lecture and one tutorial (per group) per week in case of DSC,DSE and GE Courses-Each course has four lecture and two practical(per group) per week in case of SEC courses.

Credits: The term ‘credit’ refers to the weight age given to a course, usually in term of the number of instructional hours per week assigned to it. This explains why usually ‘credit’ is taken to mean ‘credit hours’. The credit also determines the volume of course contents and delivery of programme such as lectures tutorial, practical, assignment etc. The totals of minimum credits required for an undergraduate degree programme is one hundred and thirty two (132).

CONTINUOUS COMPREHENSIVE ASSESSMENT (CCA) AND EVALUATION

- All courses (Compulsory, Core, Elective, and GI & H courses) involve an evaluation system of students that has the following two components:-
- Continuous Comprehensive Assessment (CCA) accounting for 30% of the final grade student get in a course; and
- End- Year Examination (EYE) accounting for the remaining 70% of the final grade the student to get in a course.

- Overall Pass marks are 40%. However, a student will have to secure a minimum of 35% in both the components i.e. CCA and EYE separately with to become eligible to be declared successful in a course.

CONTINUOUS COMPREHENSIVE ASSESSMENT (CCA)

Continuous Comprehensive Assessment (CCA) will have the following co-component:

Sr. No	Component	When	Marks
1	Class Attendance	During the Year	05
2	Class Test	Upon completion of 40% of syllabus by subject teacher	05
3	House Test	Upon completion of 75% of syllabus by subject teacher	10
4	Particular including Seminars /Assignments /Tutorials	During the Academic year	10
Total (1+2+3+4)			30

Continuous Comprehensive Assessment (CCA): CCA accounts for 30% of the final grade that a student gets in a course of a study. This would have the following components:

- Classroom Attendance:** Each student will have to attend a minimum of 75% lectures/Tutorials / Practical. A student having less than 75% attendance will not be allowed to appear in the final examination.
- Provided that those having between 74% and 65% attendance will apply for exemption in a prescribed form accompanied by clear reason(s) for absence to the authorized functionaries.
- Provided that those having between 64% and 50 % attendance will apply for exemption in a prescribed form accompanied by a medical certificate from a Government Hospital.
- Provided that exemption from 75% attendance will be given to those participation prescribed co-curricular activities (e.g. NSS, Youth Festivals, Sports, etc.) to the extent of 25% (making the necessary attendance as 50% in these cases). However, the claim for this exemption should be supported by authenticated certificate from the concerned college authorities.
- Provided further that those getting the exemptions, except for those getting exemptions for curricular activities, will not be entitled for getting the CCA marks for classroom attendance as given below.
- Classroom Attendance Incentive:** Those having greater than 75% attendance) for participating in Co-curricular activities, 25%will be added to per cent attendance) will be a CCA marks as follows:-

75% but less than 80% = 1 marks	80% but less than 85% = 2 marks
85% but less than 90% = 3 marks	90% but less than 95% 4 marks Above
95% = 5 marks	

Mid-Term Test- There will be one mid- term test of 10 marks to be conducted when approximately two-third of the Syllabus has been covered. This test will be conducted by the college.

Seminar/ Assignments - The remaining 10 marks of CCA will be awarded on the basis of seminar / assignments/term paper etc. it. For the Yearly the EYA will be in the month of April/May.

End-Year Examination (EYE)- The remaining 70% of final grade of 1st, 2nd and 3rd Year students in a course will be on the basis of an end Annual examination that will be of three hours duration and covering the whole syllabus of a course.

Note1. Only those students will be allowed to appear in EYE (end-year exams) who have been successful in the CCA.

2. The registration for the EYE will be done at the time of enrollment for the courses at the beginning of the semester or as decided by the university from time to time.
3. If a student is not permitted to appear in the EYE due to shortage of attendance, beyond the examination limit (<50% attendance) shall be deemed to have 'dropped' the course. However such candidate, on his/ her written request to be made immediately, can be permitted to re-do the missed semester after completing the rest of the programme or whenever the course is offered subsequently. This redoing would mean complete course including CCA and EYE.
4. A candidate failing in either one or two subjects/papers will be given compartment/will be eligible for promotion/will get 2 more chances one at supplementary and other at annual stage). Students shall be required to complete the degree within 5 years from the date of admission.
5. The minimum passing marks will be 40% aggregate. However 35% each in IA and final exams will be compulsory.
6. Re-evaluation shall be applicable as per provisions of HPU.

ANNUAL PRIZE DISTRIBUTION FUNCTION

Annual Prize Distribution Function is an occasion to boost the morale and award those students who excel in various fields/activities. The rules for the prizes will be notified by August/September.

SPORTS AND CO-CURRICULAR ACTIVITIES

The college provides facilities to sports persons who wish to make a mark in games/sports. The disciplines in which the college plans to prepare teams for University Championships are: Athletics, Badminton, Kho-Kho, Volleyball and Chess. A committee of teachers will decide the formalities of teams to represent the college in different events. The college provides various incentives for students participating in competition held at University/State/National level.

The college provides guidance to students for participating in various activities. Students are advised to join at least one of the clubs/cell like **Red Ribbon Club** that aims to educate and sensitise youth and general public against AIDS or **Eco-Club** that makes us aware about the

importance of nurturing our environment or Red Ribbon Club (being run in collaboration with local Red Cross unit) aiming to promote health & hygiene etc. Or **Career Guidance, Counselling and Placement Cell**, helping students in career building, enhancing communication skills, personality development etc. Or **women cell** catering to the problems/grievances especially of girl students.

The college provides a platform to aspirants for participation in **debate, declamation, quiz, poetic symposium, painting, poster making, rangoli and collage making** etc.

COMMUNITY PARTICIPATION/PTA

The Parent Teacher Association is a statutorily constituted elected body. The PTA plans and undertakes development works in the college and focuses the overall development and improvement of educational standards. The parents make contribution to PTA at the time of admission of their wards. PTA is run by the Executive Committee which takes all the decisions.

COLLEGE MAGAZINE

The college publishes its magazine “**Abhinandan**” annually which provides a forum to the students with a flair for writing. It provides suitable platform to explore creative thoughts of students.
